## **Calima speaking at Executive Insights Virtual Conference**

---

**Calima Energy Limited (ASX:CE1)** (“Calima” or the “Company”) is pleased to advise of its participation in the Executive Insights Virtual Conference, where Managing Director Alan Stein will provide an overview of the recent positive results from drilling within Calima’s Montney acreage and the Company’s immediate production testing plans.

The event will be held on Thursday 7 March 9am until 10am (Australian Western Standard Time).

Shareholders and other interested parties are invited to register for this event so as to hear first-hand the recent success of the Company and its plans for the future, plus have the opportunity to ask questions of Alan.

### **Event format:**

- Registered individuals will be sent a link to watch the conference people to it commencing
- Viewers will be able to see the presentation and the presenter on the one screen
- Each of the three presenters will give a 15-20 min presentation
- Viewers will be invited to ask questions during the presentation, to be facilitated by an MC, with presenters answering questions at the completion of their presentation
- A recorded copy of the event will be available on the Calima’s website 24 hours after the event

## About Calima Energy

**Calima Energy Limited (ASX:CE1)** is an international oil and gas company with more than 72,000 acres of drilling rights prospective for the Montney Formation in British Columbia, the most active oil and gas play in Canada.

Calima's neighbours in the Montney include international operators Shell, ConocoPhillips and Petronas Canada, as well as Canadian producers Black Swan Energy, Saguaro Resources and Painted Pony Energy. The region's liquids-rich hydrocarbon reserves are being targeted for LNG export alongside domestic and international oil market opportunities.
